Accesand http://bb.mediaec.uaic.ro/, va va apare in browser fereastra urmatoare:

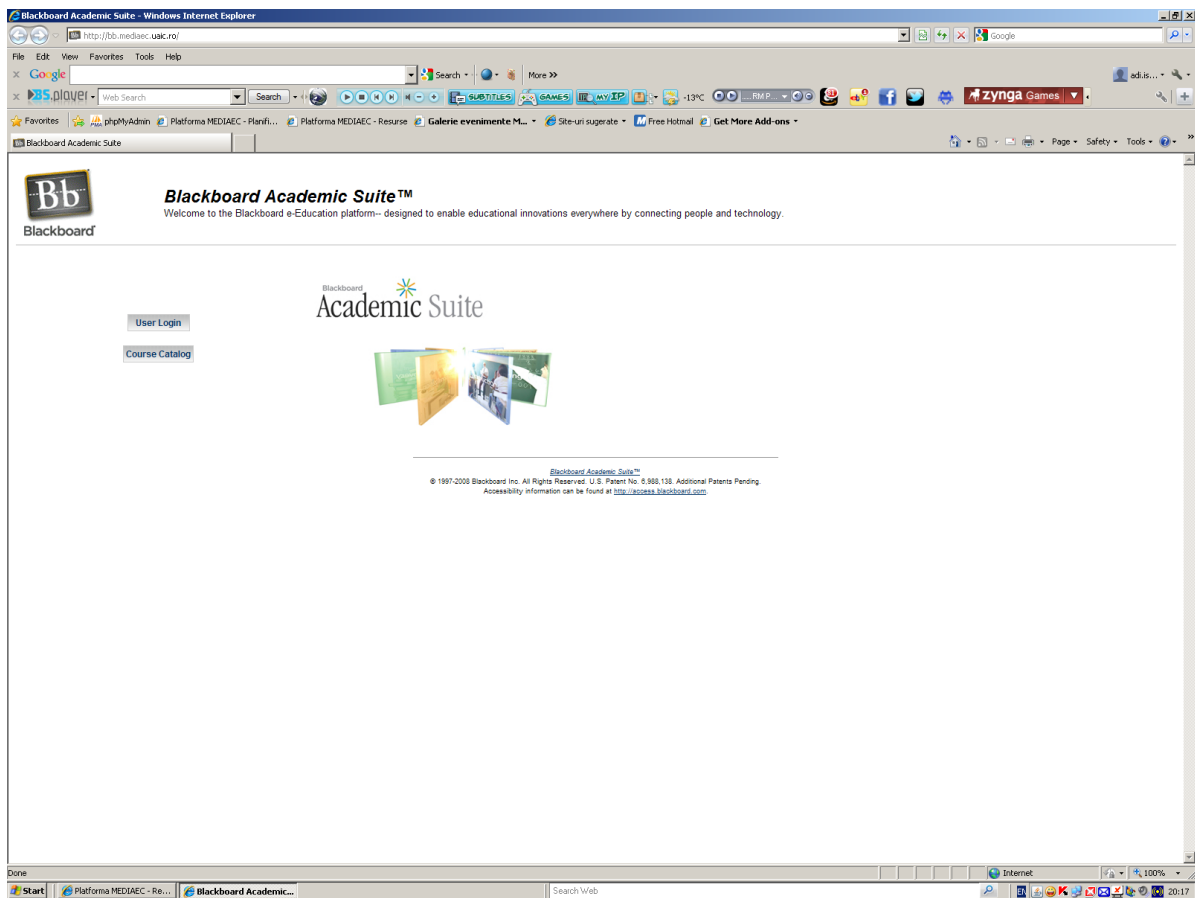

De pe aceasta interfata apasati butoul User Login, primul din cele doua!

A doua fereastra care se deschide va avertizeaza ca certificatul de securitate al serverului este mai vechi, acolo trebuie sa acceptati certificatul si sa aprobati trecerea la pasul urmator.

Aici, in campul Username, va completati numele de utilizator, aflat in tabelul pe care vi l-am dat in prima coloana! In al doilea camp, numit Password va completati numarul de telefon pe care l-ati inregistrat la dosar (mobil sau fix).

Daca nu va mai aduceti aminte cum l-ati scris sau care dintre ele: folositi linkul Forgot password?

Lost Password

❶ Username Option

Enter your **First Name, Last Name, and Username** to change the password. An active email address must be associated with the account to change the password. An email will be sent with instructions to change the password. The current password will remain active until it is changed by following the instructions.
